

A Journey Through Time

Our Montessori Program

Our program is enriched with exercises in geography, music, art and culture. We work hard throughout the year, including summer, to provide consistency and creativity in keeping with the children's inquiring minds.

A Journey Through Time

Your child is about to embark on a unique journey through time! As your child travels across continents and over oceans to visit periods of time, they will be immersed in the culture, art, culinary experiences, and geographic study of a variety of countries.

Learn & Discover

The students will enjoy an assortment of projects to advance the study of each period of time we travel to.

Loaded with cross-curricular activities, *A Journey Through Time* integrates social awareness of the cultures and people of multiple times in our history through reading, writing, math, large and small motor activities, science experiments, art projects, and dramatic play.

New Beginnings

Summer is a great opportunity to acclimate to a new environment. We look forward to meeting new friends.

What you need to know:

FIRST DAY SUPPLIES:

On the first day of school, please bring:

- 24 reclosable pull ups (not diapers), wipes, and diaper cream (if necessary). Please label everything.
- We ask that you restock pull ups each Monday. Teachers will send home a notice on Friday to notify you of supplies that they need.
- Emergency Bag: One full change of clothes, nut-free energy bar, and family photo in a labeled gallon Zip lock bag. This bag will be tucked away in the classroom as part of our disaster preparedness plan.
- Two full extra changes of clothes (including shirt, shorts/pants, socks and underwear, if wearing). Label everything, and place in a labeled gallon zip lock bag.
- A fitted crib sheet (no jersey type material), and an infant sized, light blanket in a bag. Specific nap-bags are required, and will be available to purchase the first week of school \$12/two-pack. (These items are only necessary if Full Day)

Please keep in mind:

- You can help us promote a peaceful, non-violent atmosphere by not choosing clothes or school supplies with Superheroes, Pokeman, Star Wars, and the like.
- Consider independence as you choose school clothes. Pick pants that are easy to pull up and down, and please, no belts or tie shoes. Be prepared to play and possibly, get dirty!
- Backpacks and rolling bags are helpful since the children will bring their own belongings from the gate to their classroom.

ARRIVING:

- Please arrive using the back parking lot.
- Please arrive before 9:00 a.m. to allow your child to be a part of the daily routine.
- Please be sure to hold your child's hand in our parking lot at all times.
- Sign your child in at the computers while the teacher on duty takes their temperature.
- Say good-bye at the gate. The child will be escorted to their classroom.

SEPARATION ANXIETY:

- Difficulty separating from Mom and Dad is developmentally appropriate at this age. You can help your child by confidently and quickly saying good bye, and that you will return after he/she has had a fun day at school.
- Allow your child to walk in, rather than carrying them. Also, they will enjoy carrying their own belongings and putting them away. This will help with separation and encourage the Montessori value of independence.
- We have found that "sneaking out" is not a good long-term strategy.
- Your teachers are used to children having difficult goodbyes, and will be in touch if the child has an extreme reaction. Otherwise, please do not be too alarmed, and be patient during the first few weeks.

TARDINESS:

- Your child will benefit from a consistent arrival time that allows them to be a part of the class routine.
- School begins at 9:00 am. Please be sure that your child has put their belongings away and has been signed in by this time.
- If you arrive after the class has started, you must come to the office to sign in.

SNACK:

- Please provide TWO healthy snacks each day, one for the morning and one for the afternoon. Please label or color code so that your child does not eat these with their lunch.

LUNCH:

- Choose a small and manageable sized lunchbox.
- We recommend an insulated lunch box with an ice pack, and reusable containers. Label everything.
- Enclose a cloth placemat each day, packed on the top of the lunchbox.
- Pack food that can be eaten independently, and does not require heating.
- Remember that we are a **NUT FREE** environment.
- You may rather purchase a hot lunch from Ki's Natural Lunches at www.kis.naturallunches.com.

HALF DAYS:

- **Half day pick-up time is 12:30 p.m.**
- Please be prompt and mindful that the full-day children are preparing for their nap.
- If your child is not picked up by 12:30 p.m., they will be brought in the office to wait, and a \$25 late fee will be assessed.
- You may change to full day at any time.

NAPPING:

- The children will be resting from 12:30 - 2:30 p.m. every day.
- Please bring only a fitted crib sheet and a light blanket. No pillows, please.
- Blanket bags are available for purchase for \$12 for a two-pack.
- Please avoid bringing “loveys” and toys to school. These items may be lost, damaged, or pined after by other children, and frequently cause disagreements. Please encourage your child to leave the treasured object in the car or at home.
- We find it is a perfect time to end a pacifier habit. Please see us with concerns.

DEPARTING:

- Please sign your child out on the computer each day.
- Your child will be brought to the gate when you arrive.
- Be prepared to show your ID to verify authorized pick-ups.

ALLERGIES:

- If your child has a food allergy, please notify the office ASAP in order to prepare an allergy action plan and submit medication.

MEDICATION:

- All medication needs to be signed in on the Medicine Log and deposited through the front office. Cold/cough formulas are not allowed at school.
- Prescribed medications need to be brought in an individual dose and labeled clearly.
- Please notify your child’s teacher if you have brought medicine into the office that day.
- Sunscreen is considered a medication. A signed form is required to have sunscreen left at school.

TOILET TRAINING:

- We understand that toilet training is a partnership between parents, teachers, and children. For the first four to six weeks of school, we want to meet your child where he or she is at in their toilet learning process, and avoid the added pressure of toilet training in a new environment. Therefore, we will continue your current routine: full-time or part-time pull ups, or underwear.
- After the initial adjustment period, we will begin toilet learning plans with those who show interest and readiness. These agreements will be shared with you, so that we can consistently support the child at home and at school. When your child is ready, you will begin the process at home over a weekend.

BIRTHDAYS:

- We keep the Montessori tradition of sharing a picture time-line of your child on their birthday.
- On that day, your child may also bring a special snack to share, and must adhere to the same nutritional guidelines used for all snacks. **No cakes, cupcakes, etc, please.**
- **This special snack must be pre-packaged and individually wrapped.**
- **PLEASE, follow these guidelines.** We often celebrate several birthdays each month, and want to teach our children healthy habits.

TEACHER COMMUNICATION:

- We love to talk with you, but please respect that we are carefully supervising children while we are on the playground. It is not possible to have in-depth conversations at this time.
- Please email us if you have concerns and would like to set an appointment for one of our prep times.

MBMA LA CASITA 2022 Summer Enrollment
