Literature Comes to Life

Discover!

Let's unite this summer at MBMA as we explore the exciting and colorful world of literary genres. We will discover the value of morals found in folktales/fables, embark on a journey around the world, gather evidence to solve puzzling situations, take heroic risks on a quest, and encounter a world of pure magic and enchantment. Grab a book and a friend, and join us on this literary adventure.

Elementary students at MBMA will soar this summer with newfound appreciation of literature as it helps us to understand ourselves, inspire empathy with others and cultivate true wisdom through creative expression.

- Folktale
- Fable
- Adventure
- Mystery
- Fairy Tale
- Fantasy
- Historical Fiction & Biography

Additional adventures in our theme include: math, creative writing, proactive reading, performance skills through acting and movement, craft design and art, outdoor games, and other collaborative group projects.
